The Proposal

The FAA is considering an amendment to part 71 of the Federal Aviation Regulations (14 CFR part 71) to establish Class E airspace extending upward from 700 feet above the surface (AGL) at Hampton, GA, to accommodate a GPS RWY 24 SIAP and for IFR operations at the Clayton County-Tara Field Airport. If approved, the operating status of the airport would change from VFR to include IFR operations concurrent with publication of the SIAP. Designations for Class E airspace extending upward from 700 feet or more above the surface are published in Paragraph 6005 of FAA Order 7400.9B dated July 18, 1994 and effective September 16, 1994 which is incorporated by reference in CFR 71.1. The Class E airspace designation listed in this document would be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities

under the criteria of the Regulatory Flexibility Act.

Section 475 was added by section 13223 of the Revenue Reconciliation Act of 1993 (Pub. L. 103–66, 107 Stat. 481), and is effective for all taxable years ending on or after December 31, 1993.

On December 29, 1993, temporary regulations (T.D. 8505, 58 FR 68747) and cross-reference proposed regulations (FI–72–93, 58 FR 68798) were published to furnish guidance on several issues, including the scope of exemptions from the mark-to-market requirements, certain transitional issues relating to the scope of exemptions, and the meaning of the statutory terms “dealer in securities” and “held for investment.” This notice contains proposed regulations that supplement, and in a few cases revise, the proposed regulations that were published last December.
